

# VIRTUAL ART PARTIES FOR KIDS!

**A party isn't a party until the kids have had a chance to get creative!**

Plan something different for your child's next birthday party by letting Fresh Paint Studio host a fun event focused on creativity.

All parties are 1–1.5 hours in length and are split into art creation time and party time. Art creations are developed on canvas, glass, fabric or wood.

\*We use acrylic and some tempera paints and painting smocks will also be provided but party goers should 'dress for mess' and wear clothing that they don't mind getting paint on.

\* All painting sessions would be done via Zoom and facilitated by one of our instructors. The session would be 1-1.5 hours in length.

\*Kits can be shipped to individual households with an additional shipping cost, or they can be picked up from the studio. We can also ship all of the kits to one central location to reduce shipping costs.

**\*\*\*Party Booking Details: All bookings must be accompanied by a \$50 non-refundable deposit in order to hold the requested date.**

**Welcome to Fresh Paint Studio + Café** a creative community space focused on nurturing creative ideas and sparking the artistic imagination. We encourage everyone to experience the joy of creating art while releasing their inner artist.
