ART PARTIES FOR KIDS!

A party isn't a party until the kids have had a chance to get creative!

Plan something different for your child's next birthday party by letting Fresh Paint Studio host a fun event focused on creativity.

All parties are 1–1.5 hours in length and are split into art creation time and party time. Art creations are developed on canvas, glass, fabric or wood.

*We use acrylic and some tempera paints and painting smocks will also be provided but party goers should 'dress for mess' and wear clothing that they don't mind getting paint on.

*Parents are free to bring in their own food and drinks for the 'party time' portion of the art party. Food and drinks can be set up on the front counter. A small fridge is available for any additional storage that is required for food and drinks.

Party goers will also have use of the lounge area with chairs and a small coffee table.

*****Party Booking Details: All bookings must be accompanied by a \$50 non-refundable deposit in order to hold the requested date.**
